WHEN IT'S GETTING COOLER

UTHERE'S NOTHING MORE SATISFYING THAN CURLING UP ON A CHILLY FALL DAY WITH A BOWL OF YOUR FAVORITE SOUL-WARMING SOUP.

Soup season has officially started. The chill outside brings sweaters and soup pots to the fore, and there is arguably nothing more comforting than a big vat of soup simmering on the stove. This is the season for rich, hearty stews and soups featuring pumpkin, potatoes, sausage, and any other deliciously comforting ingredient.
